# TELL THEM APP

## ADDING A NEW CONTACT

- This feature allows you to easily log details of individuals you evangelize to.
- Record important information such as their name, location, and date of interaction.

## TAGGING SYSTEM

- Assign relevant tags to each contact such as Prayer Needs, Counseling, Addiction, Financial Support, etc.
- Helps in organizing contacts based on their specific spiritual needs.
- Resolving Tags: When a contact's need is met (e.g., a person who needed prayer has received it), the tag can be updated or marked as resolved.

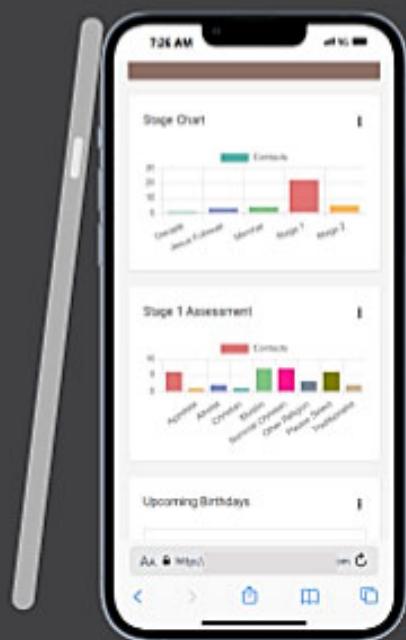

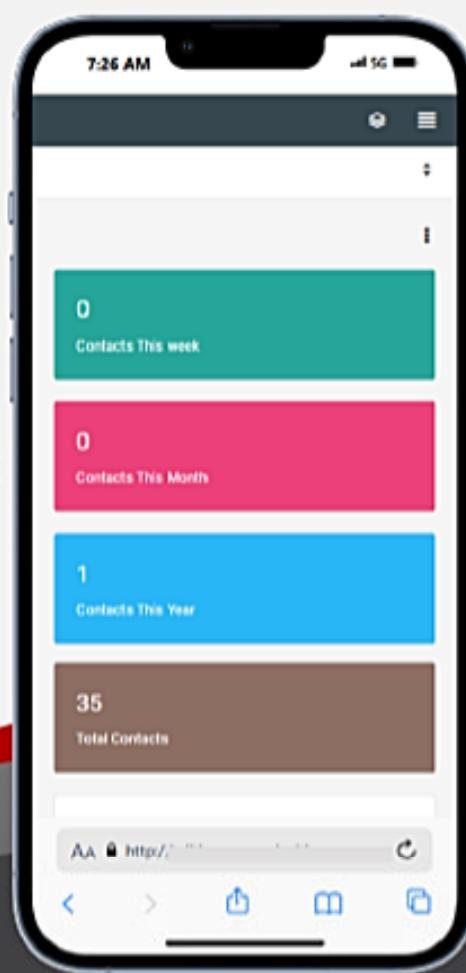

# TELL THEM APP

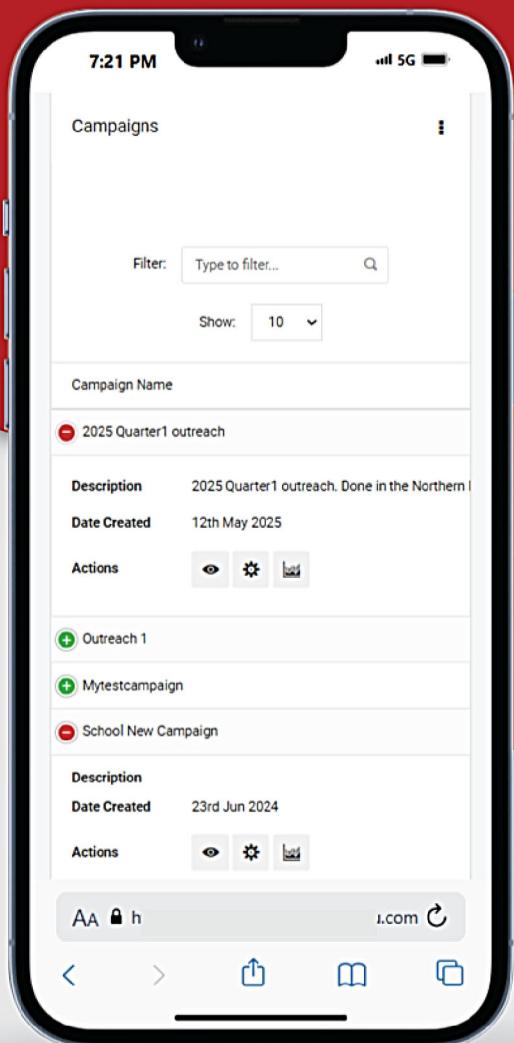

## DASHBOARD OVERVIEW

- Displays weekly, monthly, and yearly evangelism statistics. Shows the total number of contacts under each user's account
- Stage Tracking: Indicates the progress of each individual through their faith journey.

- Assessment Stage: Records the current religion or beliefs of contacts for personalized follow-ups.
- Upcoming Birthdays: Keep track of important dates to foster stronger relationships.
- Direct Call Feature: Clicking on a person's phone number allows for instant communication.

## Campaign Management Feature

With our powerful Campaigns feature, your church can plan and execute evangelism initiatives with clarity and impact.

Our software allows you to define your goals, assign team members, track engagement, and measure the results—all in one place. Start organizing your evangelism like never before.

Because reaching souls should never be disorganized.

### Deploy Feature

Once your campaign is set up, simply deploy it. Your team will have instant access to all details—routes, contacts, and tools—to start the mission effectively.

## Why Use Campaigns?

- Targeted Outreach – Focus your efforts by neighborhood, age group, or interest.
- Data-Driven Decisions – View real-time stats on how many people were reached, followed up with, or connected to a church.
